The *General Data Protection Regulation* (GDPR)

On 25 May 2018, the application of the General Regulation on the protection of personal data was started. (Regulation (EU) 2016/679).

GDPR allows citizens of the European Union (EU) to better control the use of their personal data.

At Marathon Stara Zagora the protection of the personal data of the registered competitors and the confidentiality of its storage are our priority and we follow all the national and European requirements and regulations for the personal data protection.

Below you can read important aspects of what information and personal data we collect and how we manage it, how it is used and with whom it is shared.

## **PERSONAL DATA DEFINITION**

According to the new regulation, personal data is any information relating to an individual who can be identified, directly or indirectly, in particular by an identifier such as name, identification number, location data, online identifier or one or more characteristics, specific for the physical, physiological, genetic, psychological, mental, economic, cultural or social identity of that individual.
